

THE GIVER in NYC

Posted on Feb 21, Posted by [Lois Lowry](#) Category [Uncategorized](#)

....you might want to check out a production of The Giver that opens tonight and runs all weekend and next weekend at The Players Theatre on MacDougal St. in the West Village!p It's being produced by the NYU Educational Theatre department.p

A commenter to an earlier post reminded me of this.p I had been invited to attend this performance but the timing was wrong---I am back in Cambridge now and headed to Richmond, VA on Wednesday.
