Since I showed you all a picture my daughter did of her cat at age 8, and because I am taking a break from work and killing a little time, here are a couple of pictures of the same daughter's current cat, Sam, done by the same daughter but many years later, in her forties.

and okay, one of her (late, much mourned) very old dachshund, Wiener

Timber Timbers - funny photo of the same daughter in my kitchen with her chihuahua and my
