

about Harry Potter movies

Posted on Mar 03, Posted by [Lois Lowry](#) Category [Uncategorized](#)

In answer to any and all questions about Harry Potter movies past, present, or future:

I know NOTHING.

Rien. Nada. Absolutely NOTHING.

I do not know when or if there will be more HP films, or who will direct them.

People with questions about this topic should buy a Magic-8-Ball. The answers that float to the surface will be better than any I could give.
