This is just a reminder that I can't answer questions, etc., on the blog. To Kirsti, who wants to do an interview for school: email me through the website, not the blog. At the top of the first page of the website, under my name, is a place that says "E-mail me"...Click on that.

To Marci, to Abby, Camille, Dawn Susan, Shaunika, Kelly, and others....thank you for your messages and kind words.

To Viki, who wonders about "The Giver" movie....I'll post more information about that very soon..

And now I must go tend my kitchen. The appliances, all of them 12 years old...dating from the time I remodeled the kitchen...made a suicide pact, apparently. Today the Sub-Zero refrigerator decided to terminate its existence, and there is now water all over the floor. I expect the stove and dishwasher are making their own evil preparations.
