- THIS WAS SENT TO ME BY A TEENAGE BOY:

-

- I was distraught at the thought that no one had stepped up to the plate and made "The Giver Trilogy" its own Wiki site. After that I had an idea, if no one else had the courage to step up to the plate and make this fantastic series a Wiki site then I will. So I did. Its not up to par with most Wiki sites, but it was only made recently, so that makes up for it. I have started it. I would love to see this email on your site. I think this Wiki could easily become the definitive Wiki page for "The Giver Trilogy" as most people call it. I showed it to my teachers in class just today and they were both blown away by the concept. With regards, XXXXXXX
