

## QUARTET

The word makes me feel as if I should start singing "Sweet Adeline." But here they are: the four books that now comprise The Giver Quartet.

This is the sign for the Brigham Hill Farm in the county of Utah. It is a historical site and is open to the public. The sign is made of wood and is mounted on a wooden post. The sign is located in the foreground of the photograph. The background shows the interior of a wooden building with a ladder and some colorful items hanging from the ceiling.
