If you send me a letter and want a reply...or if you send me a book to be signed and returned to you...

I NEED YOUR FULL NAME AND AN ADDRESS!!!!

(and in the case of a book, I'd appreciate return postage as well)

I have just , regretfully, thrown away the letter from a college girl named Lacy in Minnesota, who wanted some questions answered...but didn't tell me her last name.

Sorry, Lacy.

Sorry, Hannah.

Sorry, Brittany.

and all the rest of you. But c'mon! I am not a mind reader!
